However, this absolutely would fit his style of painting.

3 ▼ I already went to war under oath to the constitution, and I believe that oath is binding for as long as I live. I have but one good arm left to fight with, and I'll damned sure use it. I won't back down and compromise the freedom of my family for generations to come in return for my own personal safety and comfort.

23 I have seen him in the watchfires of a hundred circling camps. They have builded him an altar in the evening dew and damp. I can read his righteous sentence from the dim and flaring lamps. His day is marching on.

14 In the beauty of the lilies Christ was born across the sea with a glory in his bosom that transfigures you and me, as He died to make men holy let us LIVE TO MAKE MEN FREE! His truth is marching on!

8 Not blaming you. But I hate the modern versions of the song. They changed "die to make men free" to "Live". I think die sounds more committed and Righteous

4 You're right! I learned the live version in the church choir I was part of for 10 years. Of course they did it that way, right? Powerful song.

4 "If you look across the hilltops that meet the northern sky,  
Long moving lines of rising dust your vision may descry;  
And now the wind, an instant, tears the cloudy veil aside,  
And floats aloft our spangled flag in glory, and in pride;  
And bayonets in the sunlight gleam, and bands brave music pour,  
We are coming, father Abr'am, three hundred thousand more!"

26 **On January 6th we need to block at least 10-15 Democrats from the chamber - mostly representatives. Do not go after Democrat leadership; that will make it way too obvious & they have the most security. Go after existing representatives with little power and prestige.**

She almost has to be. Someone here linked a constitutional lawyers page who wrote out a huge explanation of the options and how they will likely go down. Pelosi can order the house cleared to remove republicans to stall the vote and allow Dems to try and steal. The Repubs can vote outside the house but obviously they will use the press optics to try and delegitimize in public eyes. If she pulls this shit ya'll need to go in an Minecraft that bitch. Pelosi is extremely dangerous to many situations to remedy this fraud.
